“Makena Bay is a perfect foil for the pristine hideaway.”

PHOTOGRAPHY BY COLLEEN GARDNER

With its dramatic ebony-sand shore, Maui's Makena Bay is a perfect foil for the pristine white hideaway. Tented with striking vaulted wood ceilings, and floored with smooth bamboo, the pavilion-like rooms were created to stage high drama for the ocean views. Beyond the generous lanais, a terraced path ends at the crescent sandy beach, with the gated enclave's tennis courts nearby. \$8,900,000 Furnished. Coldwell Banker Island Properties (Grand Wailea Resort Hotel & Spa). Nancy J. Callahan. 3860 Wailea Alanui Drive, Suite 101, Wailea, Hawaii 96753. Tel: 808.870.2001.
